			Tylenol Motrin		
			Tylenol Motrin		
			Tylenol Motrin		
			Tylenol Motrin		
			Tylenol Motrin		
			Tylenol Motrin		
			Tylenol Motrin		

**Other ways to help reduce fever: encourage fluids (pedialyte, gatorade, jello, popsicles), dress lightly, cool washcloth on forehead.
 Call the office for fever that does not respond to Tylenol/Motrin after 45 minutes, fever greater than 105.0, or change in mental status.**
