| Authorization | | | | | |

* I consent to and authorize The Pediatric Clinic,PLLC, its providers including physicians, nurse practitioners, technicians, nurses, and other qualified personnel to perform evaluation and treatment services and procedures as may be necessary in accordance with their professional judgment. I acknowledge that there are some risks with all medical treatments and procedures and I understand that no one can guarantee how well treatments or procedures will work.

* I acknowledge review of and offered copy of the Health Information Privacy Notice for The Pediatric Clinic.

* I understand that The Pediatric Clinic is a teaching clinic. In addition to my provider and other support staff, I may receive care from providers who are in training. They are supervised by licensed health care providers.

* I authorize the release of all medical records to referring physicians, my insurance company, and billing company, if applicable. I allow fax transmittal of medical records, if necessary.

* I understand the payment of charges incurred or my co-payment/deductable as per my insurance contract is due at the time of services, unless prior financial arrangements have been made prior to treatment. I agree and understand to applicable finance charges on any balance over 30 days.

* I acknowledge full financial responsibility for covered and non-covered services rendered by The Pediatric Clinic. I further authorize and request that insurance payments be made directly to The Pediatric Clinic.

* I understand that The Pediatric Clinic uses an electronic prescription system which allows prescriptions and related information to be electronically sent between The Pediatric Clinic provider(s) and my pharmacy. I have been informed and understand that The Pediatric Clinic providers using the electronic prescribing system will be able to see information about medications I am already taking, including those prescribed by other providers. I give my consent to my Pediatric Clinic providers to see this health information.

* I understand The Pediatric Clinic charges \$25 for copying or faxing medical records, \$5 for replacement Blue Immunization cards, and \$50 for FMLA paperwork. Please allow 2-3 business days for completion.

* I understand that not showing up for a scheduled appointment or failure to cancel an appointment with appropriate 4-hour notice will result in a no-show fee charged to my account of \$25.

I have read and fully understand the above consent for treatment, financial responsibility, release of information, insurance authorization, privacy and cancellation policies.

Vaccination Policy

The Pediatric Clinic strives to provide comprehensive, compassionate and high-quality healthcare to all of our patients and families.

One of the most important services we can provide to our patients is vaccinations against life threatening diseases.

We strongly agree with the American Academy of Pediatrics (AAP) and Centers for Disease Control (CDC) that childhood vaccines are critical to maintaining healthy children and communities. As medical professionals, we feel that vaccinating children following the recommended schedule with currently available vaccines is absolutely the right thing to do for all children and young adults.

- •We firmly believe in the effectiveness of vaccines to prevent serious illness and save lives.
- •We firmly believe in the safety of vaccines
- •We firmly believe that all children and young adults should receive all of the recommended vaccines according to the AAP and the CDC.

•We firmly believe, based on all available literature, evidence, and current studies, that vaccines do not cause autism or other developmental disabilities.

•We firmly believe that vaccinating children and young adults may be the single most important healthpromoting intervention we perform as healthcare providers, and that you can perform as parents/caregivers.

Our policy is that:

•We adhere to the American Academy of Pediatrics (AAP) & CDC Immunization Guidelines.

•Because we are committed to protecting the health of your children, we require all of our patients to be vaccinated.

•We do not follow "alternative schedules". Any parent who refuses to adhere to the AAP recommended vaccine schedule may be discharged from our practice following a 30 day written notice. New patients will not be seen at all.

• If you decline to vaccinate your child despite all our efforts, we will ask you to find another healthcare provider who shares your views. Please recognize that by not vaccinating, you are putting your child and others around you at unnecessary risk for life threatening illness and disability, and even death. We do allow declination of influenza and covid vaccines.

•We understand that the choice to vaccinate may be a very emotional decision for some parents. We will do everything we can to educate you that vaccinating according to the recommend schedule is the best thing you can do for your child. If you have doubts, please talk with your child's provider.
